May 4, 2020

Dear Berks County Community,

It is with great disappointment that we need to inform you that Camp Safe Berks 2020 will not be taking place this year due to COVID-19. We know it is in the best interest of everyone's health to cancel camp this summer. The Education and Outreach department is working diligently to find virtual solutions to still have some teen workshops available during the summer months. Please check back for updates or by liking Safe Berks on Facebook, following us on Instagram [@CampSafeBerks](#), and look for email blasts.

Thank you for all your support through these unmapped times! We hope that you all stay healthy and stay safe!

Sincerely,

Safe Berks Education and Outreach Department
